AFFAIRS IN ALEXANDRIA

POLICEMEN WILKINSON AND LYLES RESIGN FROM THE FORCE.

Mayor Accepts the Resignations With Regret-Lively Primary Expected Tomorrow-General Items.

Evening Star Bureau, No. 701 King Street, Bell Telephone No. 106, ALEXANDRIA, Va., April 15, 1901.

After the session of the police court this morning Officers William Wilkinson and William Lyles appeared before Mayor Simpson and tendered their resignation as members of the police force, to take effect at once. Their badges, Nos. 8 and 14, and the other personal equipments of a policeman were laid on the mayor's desk. Mayor Simpson regretfully accepted the resignation of the two officers. He made them a brief address, complimenting their conduct as members of the force, and stating that their withdrawal from the department would be a loss to the com

Accompanying the resignation Officers Lyles and Wilkinson submitted to the mayor a written statement, setting forth the reasons which impelled them to that action. In the first place it was declared they had been summoned before the board of police commissioners, which meets Wednesday evening, to stand trial on a charge on which they had been punished by Mayor Simpson-that of committing an assault on Lieutenant Smith in the police station about two months ago.

In reviewing a somewhat similar case, where the commissioners made no official investigation of the charge against a prominent officer of the force, of passing through the market and abusing Mayor Simpson in the most violent terms, Officers Lyles and Wilkinson declared they had reached the conclusion that the commissioners have determined to remove them from the force. They stated that rather than stand trial before the commissioners, with the strong probability of being disgraced with dismissal, they would voluntarily surrender their positions.

The retiring officers took occasion to ex-

press the highest regard for Mayor Simp-son, and thanked him for the kindness and consideration he had shown in his official relation with the officers under his author-

above mentioned Mayor Simpson sus-pended them for thirty days. The commissioners at their last meeting declared the mayor's action void, and ordered the men to report for trial Wednesday evening next. This morning Mayor Simpson or-dered Chief Webster to draw warrants for the payment of the men while they were

FAVORABLE ACTION.

Permission Given to Construct a Sewer in Takoma Park. Favorable action has been taken by the District Commissioners upon the request of Sue F. Chapman and others for permission to construct a sewer in Oak avenue, Takoma Park, from a point 150 feet east of Carroll avenue to connect with a sewer on the Maryland side.

In a report in the case made to the Commissioners the superintendent of sewers

"I have the honor to report that the proposed sewers in Takoma Park which drain into the Piney Branch system cannot be extended to serve the portion of Oak ave-nue upon which is situated the properties represented by the applicants, as the grade of Oak avenue falls sharply toward the valley of Northwest branch. I have indicated the line of sewer which the applicants desire to construct which it is in-tended shall discharge into the private sawer system in the portion of Takoma Park situated in Maryland.

"From the position of the sewer division there appears to be no objection to the sewer to be considered temporary, and the permission for the same to be subject to revocation at any time by the Cor sioners. It would seem desirable to have the work constructed under inspection of the plumbing office, and to require that a sufficient deposit be made to secure the proper repairs of the road."

Capitalists, Attention. "rustees' sale of Pennsylvania avenue business property, north side, between 12th and 13th streets northwest, at auction, commences tomorrow at 3:30 p.m., in front of the premises. See advertisement in another

Rooms for Private Use. During the past week the large 100m in the southeast corner of the fifth floor of the District building occupied by Commissioner Ross was converted into three rooms, a large one to be used as a waiting room for those desiring to see the Commissioner, and two small ones for his private use. The change was made necessary by the fact that the large number of persons daily calling upon the Commissioner made it impossible for him to secure any privacy, the result being that he was greatly interfered with in the performance of his offi

Stuart's Dyspepsia Tablets

GIVE PERFECT DIGESTION, SOUND SLEEP, STRONG NERVES. A POPULAR REMEDY FOR DYSPEPSIA WHICH

HAS MADE MANY REMARKABLE CURES. The spring of the year is the time for blood purlfiers. It is the season when we think we must dose ourselves with sursaparillas, bitters and the endless list of so-called blood purifiers and nerve tonics. As a matter of fact, there is but one possible

way in which to purify the blood, and that is through the stomach and bowels.

Pure blood results from wholesome food, there oughly digested. Impure blood results from poor digestion and assimilation. When the stomach re fuses to work properly the food remains too long a time, fermenting, forming gases, shown by sour, bitter taste in the mouth, bloating and belching of gas, and distress and discomfort generally. Poor blood, weak nerves, sleeplessness and a general don't care feeling can always be traced to imper-

This is the reason why Stuart's Dyspepsia Tablets are superior to other spring medicines and blood purifiers. They give perfect digestion, the food does not lie in the stomach for hours. They give a vigorous appetite, sound sleep, strong nerves blood, and in no other way can the blood be purt the blood when the stomach and digestive are out of order is nonsense. Stuart's Dyspepsia Tablets are used by thousands in preference to "bitters," "after-dinner pills" and "blood purifiers" because they remove the cause of the impure blood, and you do not have to take them forever to get results. Dyspepsia is an obstinate disease to cure, and a remedy must be designed especially

for it and nothing else. Cure-alls will not cur dyspepsia. Stuart's Dyspepsia Tablets are not claimed to cure everything or anything except Dyspepsia and stomach troubles, and for that it stands alone among patent medicines. Any one suffering from any trouble with their digestion will find these tablets will give immediate relief and a perma-

nent cure. Stuart's Dyspepsia Tablets are prepared by the F. A. Stuart Co. of Marshall, Mich., and sold by druggists everywhere at 50 cents per package. No dieting nor change of habits is required; they diEUROPEAN
